What our past weddings have to say...

"Manhattan beach lodge was the best venue we could have asked for our September wedding. Our favorite part was the 19 rooms the lodge has that are exclusive to our wedding! Your entire wedding party was able to stay right on site. The ceremony onsite overlooking trout lake was magical. The food was AMAZING, the chef has great skill in pairing things and presentation. Crystal is wonderful to work with and made anything we asked for happen."

"Getting married at Manhattan Beach Lodge was an amazing experience for all involved! We loved the idea of a cozy winter wedding and this was the BEST place for it! It was so nice to have an entire historic lodge full of our closest family and friends. Their off-season wedding rates were very affordable and they offered a great room rate for our guests. The food was great, the service was great and the atmosphere was great! Our guests were raving about the venue! Crystal and her staff are top notch, they get things done and work to give you the best experience. I couldn't have picked a better venue for my wedding!"
